

MPN-JAPAN

Kaori Taki

Japan Representative

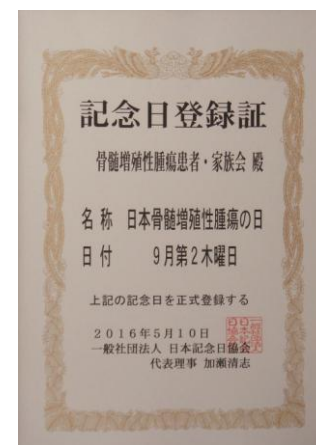

PROJECTS

- Translation (MPN articles, brochures) and subtitles of MPN conference videos
- Website
<http://mpn-japan.org/>
<https://www.facebook.com/mpnjapan>
- Booklets (Japanese)
<http://mpn-japan.org/files/booklet201603.pdf>
- Leaflets
- Online support to members etc.

ACTIVITIES

- Appealed to foreign and domestic pharmaceutical companies for development MPN medications in Japan
- Appeal to authorities for early approval of MPN medications in Japan
- Registered “Japan MPN Day” to Japan Anniversary Association on the second Thursday in September
- Celebrated the first “Japan MPN Day” in September 2016.

ACTIVITIES

- ◉ Invite speakers to study MPN
 - ◉ Gathering at restaurants
(patients, families, professors, and pharmaceutical companies)
 - ◉ Volunteer as a facilitator in blood forums
 - ◉ Participated conferences and conventions
 - ◉ Conducted media seminars
-
- ◉ Joined mailing lists in US since 2000.
 - ◉ Checking press releases of pharmaceutical companies regularly.

ACHIEVEMENT

- Patients can learn MPN basics and this leads to participation of decision-making
- Patients and families can support each other
- Promoted access to MPN medications
- Increased awareness of MPN in Japan
